HEALTHY RIVERS AND STREAMS CITIZENS ADVISORY BOARD
Meeting Minutes
Airport Operations Center
4:00 p.m.
November 15, 2012

Board members present: Lisa Tasker, Bill Jochems, Andre Wille
Greg Poschman, Rick Neiley

Board members absent: Ruthie Brown, Steve Hunter

Others present: John Ely, Lisa MacDonald
Barb D'Autrechey, Brent Gardner-Smith

Public Comment – None

Board Comment - None

Approval of Minutes

Mr. Wille moved to approve the minutes October 18, 2012. Ms. Tasker seconded the motion. The motion passed 5 to 0.

Follow up on Retreat Topics and Work Plan

John Ely discussed with the Board work plan ideas and what direction the Board wants to take. Whether it's a grant funding process and/or projects the Board wants to pursue on its own initiative.

Some Board interests included:

Study that quantifies an understanding of PSOP and what the potential consequences are for the Roaring Fork, Frying Pan, and other various streams and creeks.

An on-line interactive mapping program of the watershed and diversions.

A written history of the water in the valley.

Focusing on the Crystal River's Wild and Scenic designation.

Executive Session

M. Neiley moved to enter into executive session pursuant to C.R.S. § 24-6-402 (4)(b) for the purpose of discussing the West Divide Project. Ms. Tasker seconded the motion. Motion passed 5 to 0.

Adjourn

The meeting adjourned at approximately at 7:00 p.m.

Approved:

Attest:

Greg Poschman – Chairman
Healthy Rivers and Streams Board

Lisa MacDonald

AGENDA ITEM SUMMARY

January 17, 2013

TO: River Board

FROM: Lisa MacDonald

SUBJECT: Status of Board Renewals and New Member

Information: Staff has been advertising for open board member positions regularly since July 2012 on the Aspen/Pitkin website, the weekly ad in the Aspen Daily News, the River Board's website and the Roaring Fork Leadership Bulletin Board. The Roaring Fork Conservancy and other entities are also aware of the vacancies. As you know, Lisa and Andre are up for renewal and Steve's position is open.

The BOCC has interviewed the following:

Lisa Tasker - renewal - November 20th

Jenny MacArthur – new applicant - November 27th

Andre Wille - renewal - December 11th

Elissa Taylor - new applicant - January 8th

Matthew Shmigelsky - new applicant - January 15th

New applicant resumes are attached.

The BOCC, at a future meeting, will direct staff on appointments to the River Board.

Requested Board Action: None, informational only.

BOCC DIST 3

970 309 0282

Please consider my application for a Board Member position with the Pitkin County healthy Rivers and Streams Fund Citizens Advisory Board. As a President of the Roaring Fork Kids Board of Directors, I was responsible for developing a strategic planning for the childcare program and facilitating the Board and the Program through a merge with the Early Learning Center. I am an avid river user and active in environmental issues that affect the watershed of the Roaring Fork.

Objective To obtain the position of Board Member with the Healthy Streams and Rivers Program.

Education Miami University, Oxford, Ohio
Bachelor of Arts, May 11, 1997
Double Major: Botany and Geography
Supporting Studies: Environmental Studies, Ecology

Work Experience Cincinnati Zoo and Botanical Gardens
Children's Zoo Supervisor, 6/91-4/93
1991-1998
-Gave live animal educational presentations to the public.
-Acquired experience as primary caregiver for a variety of animals (including reptiles, birds of prey, and many others).
-Trained and supervised volunteers in animal care.
Values obtained: desire to inform and educate the public, responsibility for volunteers' actions, ability to think quickly, and act immediately in emergencies, necessity of doing all work thoroughly and to the best of my ability.

Lost Hound Campground
Landscape Architect, 5/94-8/94
-Was primary landscaper and builder of the campground.
-Planted native site-specific perennials, annuals and transplanted trees.
-Built access trails from the campground to Daniel Boone National Forest for the utilization by hikers, mountain bikers, and horses.
Values obtained: thinking practically with utilization in mind, having full responsibility for the outcome of a project, and the value of honesty and trust.

City of Louisville: Jefferson County Memorial Forest
Environmental Educator/ Outdoor Adventure Leader, 9/97-4/98
-Developed, coordinated, and facilitated environmental education programs for children K-12. This included programs at the Forest as well as Outreach programs at the schools.
-Facilitated outdoor adventure programs for people of all ages. This included an Alpine Ropes Course, night hikes, nature hikes, fossil hunts.
-Facilitated experiential education for grades K-12 as well as for corporate groups, i.e. activities targeted to strengthen interpersonal relations and to build a sense of community and trust.
-Development and maintenance of interpretive exhibits.
-Editor and writer for quarterly Newsletter.

-Assisted in organization of the annual March for Parks.

-Training and coordinating interns and volunteers.

Values Obtained: ability to develop and facilitate educational and fun programs, ability to work with a variety of people and cater to individual as well as group needs, ability to organize and work in a multitask environment, and patience.

Work

Derriere Downs Horse Ranch

Experience

Property Caretaker, 4/98-6/00

1998-2003

-Was on site caretaker /manager of 70 acre ranch in the Laguna Mountains.

-Managed an orchard of mixed fruits.

-Managed a vineyard.

-Managed a vegetable garden.

-Cared for livestock (horses and cows).

-Maintained a 5,000 square foot lawn with irrigation.

-Maintained gravel roads, barn and houses.

-Monitored irrigation systems.

Values Obtained: Self-Reliance! Self-Trust!!

Fox Outdoor School and Cuayamaca Outdoor School

Substitute Teacher, 5/98-5/99

-Taught at two outdoor schools for 6th graders in which the students came and resided for one week intensive courses in environmental studies.

-Facilitated educational hikes, facilitated arts and crafts, assisted in lectures,

Values Obtained: ability to teach environmental education in a structured environment, ability to incorporate personal experience and knowledge into a developed curriculum.

Beckman Ranch

Property Caretaker, 7/00-1/01

Was on site caretaker/manager of 50 acre ranch in the Laguna Mountains.

-Managed the apple orchard.

-Was General Contractor for home remodeling on the property.

-Maintained roads, irrigation system, outbuildings, and barn.

Values Obtained: the ability to organize and complete a large project involving many workers and craftsmen, and continued self reliance and trust.

James Hubbel Art Studio

Stained Glass Artist, 4/99-1/01

-Created stained glass in many different forms.

-Assist in other areas such as woodworking, mosaic work, sewing, metal work.

Values Obtained: Realizing the important role that art can play in connecting humanity to nature, recognizing art as an expression of, and a celebration of, the intrinsic connection of all, and the beauty inherent in all.

Lamborn Valley School

Teacher, 9/01-1/03

-Taught the Elementary/Middle School program in a holistic education school, where we cultivated the intellectual as well as the intuitive/artistic mind.

-Taught Science to High School students: everything from anatomy to botany to cellular biology.

-Developed and facilitated educational activities, lessons, and teaching aids.

-Organized and lead educational field trips.

-Member of the Education Board.

Values obtained: Too many to list! Ability to create, create, create.

Element Architectural Glass

Owner and Artist, 4/05-present

-I create custom architectural glass, using the mediums of stained & leaded, and sandblasted glass.

-Develop honest relationships with my clients so that I am able to provide them with the perfect custom art glass piece.

-Installation of my art glass

-EA Glass was featured in Aspen Home Magazine, Summer 2008.

Values Obtained: the ability to support myself with meaningful and beautiful work, and a working knowledge of the "nuts and bolts" of running a business.

Volunteer

Student Conservation Association, Voyageurs National Park

Volunteer, Summer 1991

-Built a 4 mile portage trail, including docks, rock steps and water bars.

-Lived primitively and gained experience in working with others.

-Finally learned to canoe(!)

Values Obtained: self reliance, working well as a team, doing my part for a better whole, seeing the product of my labor as a contribution to others.

Daniel Boone National Forest

Volunteer, Summer 1995

-Developed and gave interpretive hikes to the public.

-Assisted with school programs for 3rd-5th graders in the outdoors.

-Assisted biologists in monitoring for the endangered Indiana Bat.

Values obtained: desire to teach children, ability to interact effectively and teach the public, ability to create fun, informative hikes, necessity of precise data collecting, attention to details, and the importance of biological monitoring.
